

## Course Name: Pre-intermedio Chinese A2.2

### Course Syllabus

#### I . COURSE DESCRIPTION

The course is offered for those who have already attended 90 hours of Chinese language classes, so for those who have attended the A2.1 course.

This course aims to improve students' Mandarin skills including speaking, reading, listening, and writing on the basis of the previous level. Apart from basic grammar, it will pay more attention on communication in daily life. It also integrates notions of Chinese culture to promote students' cross-cultural awareness and understanding.

#### II. COURSE OBJECTIVES

On completion of the course, students should be able to:

- acquire basic conversational abilities (pronunciation, fundamental grammatical patterns; common vocabulary, and standard usage of words and grammar);
- understand the basic Chinese radicals and methods of constructing Chinese characters;
- master the fundamentals of paraphrasing and writing short essays in Chinese;
- have an understanding of the language learning process so that they are able to continue studying effectively on their own.
