

## **Course Syllabus for *Advanced Reading in Chinese: an Integrated Reading Course Starting from February 2017***

### **2017 学年第一学期《高级汉语综合阅读课程》教学大纲**

#### **I. Course Design**

The 2017 高级汉语综合阅读课程 advanced reading course aims to enhance further the reading comprehension of the Italian Chinese learners who has already possessed a mastery of 2,000 Chinese characters and phrases.

Integrating intensive reading with extensive reading, the reading course focuses on the usage of Chinese characters, phrases and constructions emerging from the reading materials. Materials for intensive reading come mainly from HSK (level 4, 5) test papers. Reading comprehension of blank-filling paragraph, complete paragraph and short passage will be exercised in class.

For the part of extensive reading, literary works of modern Chinese writers such as 朱自清, 冰心, 梁实秋, 曹禺, 沈从文, 杨绛 and 莫言 will be introduced in a bid to expand learners' literary appreciation as well as Chinese language skills. Literary genres covering modern prose, drama and novel will be covered.

#### **II. Course objectives**

**Learners are hopefully able to:**

- Improve accuracy of usage of Chinese characters, phrases and constructions
- Increase HSK reading skills
- Know prominent Chinese modern writers and their representative works
