

Course Syllabus for *Chinese Language C 2 级*

I. Course Description

This course aims to improve learners' comprehensive knowledge of Chinese language as well as practical skills of communication on the basis of previous level C1.2. Adopting task-based teaching mode, the course is characterized by interactivity and communicativeness. Learners are encouraged to conduct short dialogues in pairs and groups. Language points involving mainly Chinese characters, expressions and grammar will be explained in detail and practiced creatively. The teaching procedures are realized in the consecutive steps, i.e., pre-task, in-the-task and after-task. Meanwhile, Chinese culture is integrated in the teaching tasks so as to promote students' cross-cultural awareness.

II. Course objectives

In learning the course, students should be able to:

- Learn more new Chinese characters, lexical items and grammar points
- Develop comprehensive skills of listening, speaking reading and writing including correctly spelling Chinese characters
- Understand more Chinese culture in relation to language expressions
