

Corsi serali:: Chinese A1.2

Course Syllabus

I . COURSE DESCRIPTION:

This course is designed for beginners who have learned around 30 hours Chinese (lesson 1-10 from ‘Il cinese per gli italiani’). It’s the second part of the elementary course on Chinese speaking, listening and reading. It aims at learning basic phonetics, daily expressions and some grammars. After taking this class, you will have an advanced understanding of Chinese Mandarin, Chinese characters and Chinese culture.

II . COURSE OBJECTIVES:

At the end of the course the student should be able

- to understand some more complicated questions and know how to respond them.
- to know more advanced grammar of Chinese.
- to know how to buy things, how to order in a restaurant, how to ask time and age, and how to describe positions and someone’s personality in Chinese, etc.
- to grasp more Chinese characters and to write a short passage in Chinese on your own.
