

Course Name: Chinese Characters

Course Syllabus

I. COURSE DESCRIPTION

This course is designed for people who have good competence of Chinese speaking and listening, but know few Chinese characters (simplified). In this course, you will learn more Chinese characters based on what you have learned last semester. In this course, you will learn how to read and write Chinese characters with pen, not brush. Besides, you will also learn how to look into the Chinese dictionary. Based on the characters, there are still some vocabularies and grammars of Chinese language, and some Chinese culture.

II. COURSE OBJECTIVES

At the end of the course the student should be able

- to master 400 Chinese characters;
- to know some elements of the Chinese culture from Chinese characters;
- to read some short passages;
- to know all the basic strokes in Chinese characters;
- to write some characters correctly with pen.
