

Corso Pre-intermedio A2 secondo modulo

Course description

This course is to offer to beginners who have learned about 68 hours of Chinese language course. It is the fourth part of the elementary course on Chinese speaking, listening, reading and writing. In this class they will learn daily expressions like how to start a basic social conversation and how to use the grammar they have learned flexibly. After this class, they will be able to have a simple conversation with Chinese people, and will have a better understanding of Chinese characters and Chinese culture.

Course objectives

Working on the standard course, the Chinese language learners will be hopefully able to achieve:

- 2.1 to understand some more complicated concepts in Chinese;
- 2.2 to deepen their Chinese grammar knowledge;
- 2.3 to know how to ask complicated questions and to know how to reply them;
- 2.4 to increase their listening and speaking skills;
- 2.5 to know how to describe daily life activities;
- 2.6 to know how to ask about opinions and respond;
- 2.7 to increase their knowledge of Chinese culture and society;
- 2.8 to be able to comprehend and write a short paragraph.

Text book

The course will be based on the textbook “*Experiencing Chinese*” 体验汉语基础教程（上/下），Higher Education Press.
