Se il vostro risultato è stato pubblicato vi apparirà la seguente schermata. Se avete superato l'esame nella sezione status apparirà 合格.

The screenshot shows the website interface for the Chinese Test Service Network. At the top, there are logos for Hanban and Confucius Institute, along with the website name in Chinese and English. A search bar and navigation links (Login, New User, Back To OldVersion) are also present. Below the header is a navigation menu with icons for Home, Announcement, About Test, Test Registration, Test Center, Practice, Test Regulation, and About Us. The main content area is divided into two sections: 'Score & Certificate' and 'Test results found'. The 'Test results found' section contains a table with the following information:

Information of test taker
